# Contractions

*How to play:*

- *Print , cut each page in three parts to have each car on an individual piece of paper.*
- *Tell the kids they are mechanics , these Monster Trucks have a problem , they are too long and too heavy to win the race. They have to redesign them by shortening them .*
- *They cut the unneeded part of the words*
- *They glue the shorter parts of the truck back together with a piece of paper tape or an office sticker where they write the apostrophe to build the contraction.*
- *Each redesigned monster truck is a winner !*
