

“THE LITTLE BAC” GAME - PARTS OF SPEECH

HOW TO PLAY

- This game is an adaptation of a French game called “ le petit bac”.
- Choose one page according to the sounds you want to review, print a sheet for each child.
- One person rolls the dice and sees what sound we will need to find words
- Without looking at the others , the players have 2 or 3 minutes to try to fill up one line.
- When the time is over you count 2 points for each word that no other player has and 1 point if other players also wrote it.
